NEAR EAST SITUATION IS PARAMOUNT IN BRITAIN

By Associated Press
LONDON, Sept. 28.—The British cabinet held three successive meetings today and another meeting will be held tomorrow morning. This fact alone is sufficient comment upon the gravity of the situation in the Near East, revealed by yesterday's bad news which has been amply confirmed and accentuated by today's dispatches.

The Greek revolution which was a military and naval coup seems to have been carried out with surprising swiftness and completeness. Information regarding Constantinople is meagre, but one report had it that he was a prisoner of the revolutionists.

The Crown Prince succeeds to the throne while the victorious troops with their leaders at their heads marched triumphantly into Athens which pending the formation of a new government is in the hands of a military dictatorship in the triumvirate council of generals. One of the generals is said to be the famous general Nider, who for a long time was chief of staff and war minister under the Venizelos administration and commanded the Greek expeditionary corps in South Russia in 1918.

Apparently the revolution was bloodless, although an unconfirmed report mentions the killing of one minister. It is asserted here that one of the main objects of the revolution is to maintain Greek rule in Eastern Thrace.

Latest advices are to the effect that there has been no collision between the Turkish and British forces in the Chanak zone and that seems to be the only satisfactory aspect of a very threatening situation. Frictional messages have been exchanged between General Harrington, the British commander at Constantinople, and Kemal-Pasha, discussing the viewpoints in an amiable manner, but the Kemalists show not the slightest disposition to recede from their position and refuse to withdraw their troops from the Chanak sector.

Gertrude Patterson, who was reported to have been found unconscious near the old Lowrey-Phillips Academy yesterday morning, was probably feigning unconsciousness and was not hurt, according to a statement made by her brother to the Amarillo sheriff's department.

The brother said, according to a sheriff's officer, that the girl often "dits" like that. He said she just took a notion she wanted to come back to Amarillo and quit the car suddenly.

The persons who left Gertrude Patterson unconscious in the road near the old school were her own mother and two brothers, sheriff's officers at Channing who detained the three told the Amarillo sheriff's office yesterday afternoon.

The girl, a good looking khaki-clad blonde of 25, was picked up in the road unconscious by John Wiley and Basil Plemons. They notified the police department and she was taken to St. Anthony's Sanitarium.

TRIALS OF 74 MINERS ARE SET FOR NOVEMBER 13

FORTY-EIGHT MEN CHARGED WITH KILLING ONE MAN WILL BE FIRST

By Associated Press
MARION, Ill., Sept. 28.—Decisions to open the trials of the 74 men, indicted for murder, conspiracy and rioting in connection with the Herrin killings, about November 13, was reached late today at a long conference, between Judge D. T. Hartwell of Williamson County circuit court and attorneys for the prosecution and defense.

After the conference, Judge Hartwell announced that he would formally set the docket tomorrow morning and unless unforeseen obstacles arise to change his plans he would fix the time for the first trial to start on the Monday nearest the middle of November and not later than November 15.

The forty-eight men charged with murder in one indictment in connection with the death of Howard Harrison of Huntington, Ind., will be the first to go to trial in connection with the killing of thirteen non-union workers and three union miners at the site of the Southern Illinois Coal Company near here, last Jan. 21 and 22, under present plans.

This indictment charges that Hoffman was shot, stabbed and beaten by all of the forty-eight men indicted for murder. He died June 24 in a hospital at Herrin.

At the conference attorneys for the state declared they were anxious for the trials to begin as soon as possible, saying they would be ready October 2.

DR. C. C. HAYS, PRESBYTERIAN MODERATOR, TO BE GUEST OF LOCAL CHURCH NEXT TUESDAY

Dr. Calvin C. Hays, moderator of the general assembly of the Presbyterian Church, U. S. A., will be in Amarillo Tuesday, as was announced yesterday by Dr. R. Thomson, pastor of Central Presbyterian Church. The moderator will be guest of honor at a banquet to be held Tuesday noon at Central Presbyterian Church Hall. The banquet will be served by the Women's Auxiliary and Central Guild.

Invitations have been extended to Presbyterian ministers to come to Amarillo Tuesday and meet the moderator. He will arrive here Tuesday morning.

Dr. C. C. Hays is coming over the Fort Worth and Denver and will leave that evening for Fort Worth, where he will speak Wednesday. Then he will continue to Sherman to attend the Synod of Texas, which convenes there Wednesday. Dr. Thomson will accompany the moderator to Fort Worth and will also go to the Texas Synod at Sherman.

Dr. Hays has been pastor of the Presbyterian Church at Johnston, Pa., for 22 years. He has been president of the Anti-Slavery League of Pennsylvania for many years. He is chairman of home mission work for the Synod of Pennsylvania, which is the largest one in the Presbyterian Church.

Dr. Hays and Dr. Thomson were appointed together eight years ago on the home mission board of the Presbyterian Church. During those eight years they have become intimate friends and the moderator's visit to Amarillo is partly because of his admiration for Dr. Thomson.

Dr. Hays was in Colorado Springs yesterday and will also be there today. He will preach in Saluda, Colorado, Sunday, as it was in that city he first preached as a representative of the home mission board. This will be his first visit to Saluda since his early days in the ministry, and Dr. Hays could not resist the invitation to visit the place where he began his ministerial work.

A large banquet had been planned in Denver for last Monday night, but the invitation was turned down so that he could arrive here Tuesday morning.

Both men and women are invited to the banquet Tuesday. Reservations should be made with Dr. Thomson or E. D. Miller, educational pastor. It is expected that prominent laymen and ministers outside the Presbyterian church here will be invited to the banquet Tuesday so that they may have the opportunity to meet Dr. Hays.

MRS. HALL WAS DEVIL IN EYES OF MRS. MILLS

NEIGHBOR TELLS OF INCIDENT THAT JEALOUSY WAS MOTIVE

By Associated Press
NEW BRUNSWICK, N. J., Sept. 28.—Mrs. Frances Stevens Hall, widow of Rev. Edward Wheeler Hall, slain clergyman, was "a devil" in the eyes of Mrs. Eleanor Reinhardt Mills, his neighbor, whose body was found beside his nearly two weeks ago.

This information, with its bearing on a possible jealousy motive for the double slaying was given detectives today by Miss M. L. O'Connell, a neighbor of the Mills family. Miss O'Connell had told of frequent telephone conversations between Mr. Hall and Mrs. Mills and of many visits made by the slain pastor to the Mills' home.

The devil incident she repeated today, grew out of a pleasure trip to Point Pleasant, a Jersey coast resort. The party consisting of Mr. and Mrs. Hall and Mrs. Mills was to start at 9 o'clock on the morning of July 12, Miss O'Connell said.

When Mr. Hall failed to call for her at the appointed hour, Mrs. Mills telephoned the Hall home. Turning away with the petulant remark that Mrs. Hall wanted "to make the day as short as possible," Miss O'Connell said, after the outing she said, Mrs. Mills told her that Mrs. Hall was a "devil."

Mr. Hall's will was filed for probate in the Middlesex surrogate's court today. Dated July 17, 1921, it bequeathed all his property to Mrs. Hall and named her executrix.

The board of Free Holders of Middlesex county on the recommendation of the prosecutor today issued a resolution offering a reward of \$1,000 for the detection, apprehension and conviction of the murderer. The reward will be paid if it is proved that the crime was committed in Middlesex county.

PROHIBITION "DETRIMENTAL" AND TO BLAME FOR MANY CRIMES SAN FRANCISCO GRAND JURY HOLDS

NOMINATION WAS ILLEGAL ATTORNEY GENERAL HOLDS; TO TAKE FIGHT TO COURTS

BY ASSOCIATED PRESS
AUSTIN, Tex., Sept. 28.—Certification of George E. B. Paddy of Houston, as a republican candidate for United States Senate will be ejected, Secretary of State S. L. Staples announced late today following receipt of an opinion of the attorney general which holds that Paddy's nomination was not in compliance with the state senatorial election laws.

Paddy's nomination was illegal, the opinion holds, because under the state senatorial law the Republican party required to nominate senatorial candidates by a general primary election. It further declares Paddy is not legally entitled to a place as republican candidate on the official ballot if he voted in either or both democratic primary elections. Secretary of State Staples said he had been reliably informed Paddy participated in these elections.

The opinion holds, however, that the Republican state convention, held in Fort Worth on August 8 and 9 had authority to nominate candidates for state offices and was legal on grounds that the Republican candidate for governor at the last general election did not receive 100,000 votes and the election law governing conventions of parties casting over 100,000 votes therefore does not apply. Secretary Staples stated tonight the Republican candidates with the exception of Paddy will be certified as a result of the ruling.

Staples expressed the opinion tonight that the attorney general's ruling covers the questions involved in the protest of Republican Chairman R. B. Creager, against certifying Earle B. Mayfield as Democratic candidate and that he probably will certify Mayfield's name without a further ruling.

Holding primary elections are required under the state senatorial act, the opinion declares.

"We have but to read the law according to its plain provisions and give to the words used their ordinary and commonly understood signification to arrive at the conclusion that according to the statutory law of this state the Republican party can lawfully nominate a candidate for United States Senator only at a general primary election. The language of this statute is mandatory. It is as clearly mandatory in its terms as the general primary election law which governs the holding of Democratic primaries."

Under the ruling of the Texas Supreme Court in the case of Westerman versus Mills, the opinion holds that Paddy, if he voted in the Democratic primaries, is morally bound to support the Democratic nominee and that he "cannot come into court and ask for writ of mandamus to compel the secretary of state to assist him in violating this moral obligation."

The opinion is a lengthy discussion of Texas election laws, containing twenty six pages. It was written by Assistant Attorney General L. C. Sutton and approved by the entire legal department.

Will Keep Up Fight
By Associated Press
DALLAS, Sept. 28.—George E. B. Paddy, Republican and Independent candidate for United States Senator is confident of the right to have his name on the official ballot at the November general election, despite the attorney general's ruling today that the manner of his nomination forfeits that right, with increased vigour.

A statement given out by Mr. Paddy today follows:

"I have not yet had the opportunity to see the attorney general's opinion, and therefore do not know exactly the grounds of his ruling. I am absolutely confident of the right to have my name on the official ballot and all proper and necessary proceedings will be taken at once to enforce that right."

"There is no occasion for any of my friends to be alarmed. Those who are seeking to thwart the right of the people to vote through a mere technicality will not succeed. The protection of my campaign will be continued with increased vigour."

Here Mr. Paddy enumerated his speaking dates for this week and the next week, saying that he will fill them.
